**PERSONS PRESENT NOT ON THE AGENDA**

Next month we will put the annual work plan on the Tree Board agenda & arrange a time for the annual Tree Board - Trustee check in.

**UPDATE: SOPRIS SUN ADS (ARBOR DAY & KBTF) AND ARTICLES**

An ad titled "Thirsty Trees Need a Drink Amid Winter Drought" will run next week in the Sopris Sun.

**ARBORDAY PLANTING LOCATIONS**

We need 11 people to sponsor trees, which will likely be attainable with the ad running in the paper. Mike has been evaluating ideal locations for placement of new trees, and has identified a number of good locations. Mike will speak with Kay Brunner about potentially using the fund for replacement trees. They will explore other options such as the Colorado Tree Collation (CTC). Dan will reach out to the Creamery about food for the morning Arbor Day plantings, and he will reach out to the Sopris Sun to invite them to report on the event. The Town of Carbondale has been members of Tree City USA for 25 years now. Mike has submitted an application for a Growth Award to Tree City USA.

In 2010, the State Forest Service completed a Tree Survey in the Town of Carbondale. The report shows what the Town does for their Trees, and we've come a long way since 2010. Mike is exploring options and working on initiating a new survey. There is a binder in Mike's office that anyone on the Board or in the Public can view, and he also has the survey available in electronic form.

**ADJOURNMENT**

The January 17, 2019, regular meeting adjourned at 7:15 p.m. The next regular meeting is scheduled on February 21, 2019 at 6:00 pm.

Respectfully submitted,
